## Universal Flat Pack Cabinet

The economical 42U cabinet that's  
easy to transport and assemble on-site.

## FEATURES

- Weight capacity of 1320 pounds.
- Constructed of 16-gauge steel.
- Flat-pack, knock-down design makes it easy to carry into areas with narrow entrances.
- Assembly is simple! Just six main pieces to put together.
- High quality at an economical price.
- Frame assembly accommodates various server sizes.
- Offers extra space for front and rear cable management.
- Front door features safety glass.
- Front, rear, and side locks.
- All doors are quick release.
- Standard 19" M6 rails.
- Vertical rails are marked at 1U increments for proper alignment of 19" equipment.
